### BEST BALL TOURNAMENT

## Dear Friends, Family, and Business Colleagues,

Realty Executives Mid-America Region is planning to build a 6th Habitat for Humanity home in Kansas City in memory of Stephen A. Summers (SR) and Stephen R. Summers (JR).

The "Ground Breaking" Ceremony is scheduled to be in January, 2011. We need to raise \$90,000.00 between now and then to make this home a reality!

### THERE ARE FOUR (4) WAYS YOU CAN HELP:

- 1.) Participate in the 6th Annual Realty Executives Mid-America Regional "JR/SR" Best Ball Golf Classic Monday, June 14th, 2010 at Lake Quivira Country Club by participating as a player, organizing a foursome, or helping secure a hole or corporate sponsor.
- 2.) Be a Corporate Sponsor and help build this special home.
- 3.) Make a single donation to Habitat for Humanity to help build the home.
- 4.) Volunteer to participate in one of the build/construction dates.

Please find a golf tournament player and sponsor registration form attached to this program that can be completed and submitted to the Realty Executives Mid-America Region. Your participation in this program can and will make a difference!

Best Regards,

Stephen E. Summers  
Regional Director
