

REALTORS® helping Harvesters Community Outreach Event hosted by the Show Me Region

In the Harvesters Volunteer Outreach Center we will sort and repackage food for the needy; it's a great place to make a difference in somebody's life. Our assignment will be given to us that afternoon based on their need. We may be packing backpacks for children, repackaging food, or organizing the pantry shelves. No muscles needed!

Bring a FRIEND and bring some FOOD! The more volunteers the merrier, so bring someone with you! Bring a non-perishable food donation when you come to volunteer...or start a collection in your office!
