

Turn "just looking" into "just sold"

Give your buyers the *inside* story with *Agent Access*

Agent Access is a unique new service created by Mobilogic in partnership with KCRAR to help you turn those "just looking" prospects into "just sold" clients.

Imagine providing your buying prospects/clients with a service that allows them to access the list price and interior features of just about any local property with a "for sale" sign in the yard. Imagine that you can provide this service 24/7 and each time your client uses the service they hear your voice. Imagine providing this level of service without even taking the call. Imagine *Agent Access*!

The cost of this new service is \$15 monthly and includes registration of up to and including 5 clients. Each additional 5 clients may be added at any time for only \$5. Adding and removing clients is quick and easy via phone or on the secure website.

Sign me up! I understand I can cancel at anytime with a one month notice and that my credit card will be billed \$15.00 by KCRAR each month I continue subscribing. I also understand I can add and remove clients from my account and each additional block of 5 clients will add \$5.00 to the base fee of \$15.00.
