Contingency for Sale and Closing of Buyer’s Property Addendum

Who should use form?
The agent assisting the buyer.

What is the purpose of this form?
To inform the seller that the buyer's home is on the market and that it may or may not have a contract on the home. That the buyer needs to close on their home before they can close on the seller’s home.

When is form used?
The form should be used at the time a contract is written on the Seller’s home.
