Disclosed Dual Agency Amendment

Who should use this form?

Agents licensed and working with a property located in Missouri.

What is the purpose of this form?

The purpose of this form is to inform all parties that a change to a current agency agreement is being modified so that the agent can represent both parties of the transaction.

When is this form used?

This form should be used when a current agency relationship agreement is already in place and needs to be changed from the agent representing one party to one who is representing both parties.
