OneHome is the new client portal for Matrix™ that helps me collaborate with you and remain at the center of your home search. OneHome will be replacing the existing Matrix Client Portal on April 23, 2024. Don't worry. OneHome has made it easy for you. Your auto-emails will be updated automatically to OneHome. You will see a new modern search experience. For added security and features you can make a password protected account too. All you need to do is add a password. I can't wait to hear what you think about OneHome!
